ROUTE

The 2018 edition of Xtractor can be summed up in numbers: 6,000 kilometers, 35 stops, 49 days on (and off) the road.

Each and every day will be a day of discovery as we explore the natural beauty and ethnographic uniqueness of South Africa.

Starting from the fertile vineyards in the Winelands, we'll head towards the semi-arid landscapes of the Karoo; from there we'll travel along the famed Garden Route which hugs the Indian Ocean coast.

We'll then plunge into South Africa's spectacular parks and reserves, including Addo Elephant National Park, home of the "Big 7", and Kruger National Park with its untouched ecosystems.
