

The advertisement features a large, detailed image of a Maxam MS302 E3/L3 tire on the left, showing its heavy-duty tread pattern. In the background, a yellow Maxam wheel loader is operating in a quarry or mining environment. The Maxam logo and 'NORTH AMERICA' are positioned above the large 'MS302' text, with 'E3/L3' below it. A descriptive paragraph and a bulleted list of features are provided on the right side of the tire image. At the bottom right, under the heading 'Applications:', there are two small icons representing a truck and a wheel loader.

MAXAM
NORTH AMERICA

MS302

E3/L3

Heavy duty E3/L3+ lug pattern combines excellent traction and high resistance to wear and cutting. Specifically designed to minimize vibration at haul speeds, and provides the lowest cost-per-hour.

- Excellent traction in all off-road conditions
- Thick undertread for improved puncture resistance
- High quality casing allows for excellent retreadability
- Wear and cut resistant tread compound
- Wide, flat footprint profile for maximum stability and wear
- Increased net-to-gross and tread depth for highest tread life
- Offset, reinforced lugs minimize vibration at haul speeds
