

The screenshot shows the CEAT website's product range page for truck and bus tires. At the top, the CEAT logo is on the left, and a navigation menu with links for 'ABOUT US', 'TYRE RANGE', 'PRODUCT RANGE', 'TYRE CARE', 'FIND US AT', 'CAREER', and 'CONTACT' is on the right. Below the navigation is a large banner image of a road curving through a landscape with a large truck tire in the foreground. The text 'PRODUCT RANGE' is overlaid on the bottom left of the banner. Below the banner is a breadcrumb trail: 'Home > Product Range > TRUCK / BUS'. The main content area is divided into a left sidebar and a grid of four product cards. The sidebar features an image of a red truck and the heading 'TRUCK / BUS', followed by a paragraph: 'Built for hard-core commercial vehicles like trucks and buses, these tyres have uniform tread wear and increased mileage for a better CPKM (cost per kilometer). These Truck & Bus Tyres have higher casing durability and cooler running that helps the vehicle go what the distance and ensures uninterrupted progress to the fleets'. The grid contains four product cards, each with a tire image, a title, a size, a list of features, and a 'Read More' button. The products are: 1. MILE-XL RIB 8.25-20 with features: Cooler running, Less rolling resistance for better fuel mileage. 2. MILE-XL SL+HD 8.25-20 with features: Highest Mileage, All wheel fitment. 3. MILE-XL 8.25-20 with features: Cooler running, Enhanced tyre mileage. 4. MILE-XL RIB 900-20 with features: Cooler running, Less rolling resistance for better fuel mileage.
