

YOUR TOP SUPPLIER OF WHEELS AND TYRES IN AUSTRALIA

As part of the global Titan International Group of companies, Titan offers the widest range of car tyres, wheels and axles available in Australia. We supply and service wheels and tyres for the industrial, mining, construction, earthmoving, transport, agricultural, recreational and passenger markets.

With a nationwide network of sales distribution and service hubs including wheel service centres, wheel manufacturing facilities, Titan is the only nationwide solution provider of wheels and tyres that can truly make a difference to our customers' bottom line.

Titan combines the strength and resources of a global, market-leading corporation with the innovation and customer focus of a local company to maintain a premium position as a supplier and servicer of car tyres in Australia for all of its markets, including original equipment machines, specialised bespoke applications and their associated aftermarkets.
